You are invited to the

# Global Market Update: GERMANY

Tuesday, June 5 | 4:30 pm – 5:30 pm / Room B201  
Georgia World Congress Center, Atlanta

Germany was the fourth largest market for new wind energy installations in 2011, and the largest market in Europe. Come to this session to learn about Germany's onshore and offshore wind market and understand investment and export opportunities for U.S. companies in Germany.

Attendees can also learn more by visiting GADORE's booth #6633.

### TARGET GROUP:

American and international companies, who want to be active in Germany or export to Germany

### THE EVENT:

- › **Report and Greeting** from the US Department of Commerce, U.S. Commercial Service (Mark Wells) and Greeting from GADORE Center (Annette Nuesslein)
- › **Report: Wind industry in Germany 2012 – Onshore and Offshore** (Thorsten Herdan, CEO, VDMA Power Systems)
- › **Report: Investment advice for companies from the wind industry and other related branches given by Germany Trade & Invest** (Esther Frey, Manager Renewable Energies & Resources, Germany Trade and Invest)
- › **Panel – Spotlight: Practical example from Germany in the onshore and offshore sector** (Investment/Export opportunities – for American and international companies), (with EnergieAgentur.NRW, Innovation Center Lower Saxony, Bremeninvest, 3 M Germany/US)
- › **Peter Becker, Managing Director, Messe Husum & Congress**
- › **Ulrike Hammer, U.S. Director, HANNOVER MESSE Worldwide Events**
- › **Moderator: Bonnie Ram, Ram Power LLC**

For more information contact **Annette Nuesslein: [info@gadorecenter.de](mailto:info@gadorecenter.de)**
